LES PARCELLES CACHÉES ESTATE VINEYARD

OLIVET BENCH
RUSSIAN RIVER VALLEY

VINTAGE 2019

IN THE VINEYARD

On February 3, 2010, Demeter USA, the only certification agent for Biodynamic® farms in the United States, certified the 17-acre estate vineyard and garden at DeLoach Vineyards, fully compliant with their standards for Demeter Biodynamic status. As one of less than 100 wineries or vineyards in the U.S. with Demeter certified Biodynamic estate vineyards, DeLoach is among an elite group of sustainable wine grape growers committed to farming in parallel with the Earth's natural cycles.

CONVERSATIONS WITH THE WINEMAKER

This vintage of our Estate selection Les Parcelles Cachées comes from the western block of our vineyards in the back of the winery and is a blend of the Mt. Eden and Swan clonal selections. These blocks produce lower yields and a more concentrated flavor profile. Both were fermented using their native yeasts in open top fermenters with hand punchdowns before being bottled unfiltered.

TASTING NOTES

A dark crimson color in the glass, bouquets of warm blackberry pie and fresh black berry drift from the glass with hints of earth, tobacco, and sweet vanilla spice. Lush fruit flavors remain through to the palate with layers of baking spices. Luxurious with firm, structured tannins, this medium-bodied wine has a delightfully long and persistent finish.
