LES PARCELLES CACHÉES ESTATE VINEYARD

OLIVET BENCH RUSSIAN RIVER VALLEY

VINTAGE 2021

IN THE VINEYARD

On February 3, 2010, Demeter USA, the only certification agent for Biodynamic® farms in the United States, certified the 17-acre estate vineyard and garden at DeLoach Vineyards, fully compliant with their standards for Demeter Biodynamic status. As one of less than 100 wineries or vineyards in the U.S. with Demeter certified Biodynamic estate vineyards, DeLoach is among an elite group of sustainable wine grape growers committed to farming in parallel with the Earth's natural cycles.

CONVERSATIONS WITH THE WINEMAKER

This vintage of our Estate selection Les Parcelles Cachées comes from the western block of our vineyards in the back of the winery and is a blend of the Mt. Eden and Swan clonal selections. These blocks produce lower yields and a more concentrated flavor profile. The grapes were harvested on September 3 and were aged for 17 months. Both were fermented using their native yeasts in open top fermenters with hand punch downs before being bottled unfiltered.

TASTING NOTES

A deep crimson hue fills the glass, while inviting aromas of warm, baked blackberry pie and plump, juicy blackberries waft forward, interwoven with earthy notes of tobacco and sweetly spiced vanilla. Sumptuous fruit flavors carry through to the palate, layered with aromatic baking spices. Opulent yet well-structured, with polished tannins, this medium-bodied wine boasts a gracefully extended and enduringly satisfying finish.
